

Save up to 61% or more on Toll Calls

Did you know, that Quicksilver's Direct Dial Tolls customers already save up to 61% or more on their tolls bill, 24 hours a day, 7 days a week, 52 weeks of the year?

Other tolls companies often offer limited time deals to entice you, and then charge much higher regular rates. Here at Quicksilver, we prefer to offer you the BEST rates possible every day.

- Permanent Offpeak Rates, All Day, Every Day
- No need to change your phone number
- No joining fee, or minimum monthly fee - just pay for the calls you make
- Discounts on 3 Favourite Countries
- Access to discounted Quicksilver Internet services

HOW TO SIGNUP FOR TOLLS

There are 2 easy ways to sign up for Quicksilver's Direct Dial Tolls.

1 - Call us tollfree on 0508 774 583 and sign up over the phone (you must be the Telecom Account Holder)

2 - Print out our application form below and fax/post it back to us.

Business Virus & Spam Protection from \$10 a week

Q-biz Mail Server provides professional Spam & Virus protection for your business email, from just \$10 a week.

With Q-biz, you can give all your staff an email address on your own business domain name, and manage these through your own website, at any time of day or night.

Q-biz complements your existing Antivirus program, by blocking viruses before they reach your office network, potentially saving you from a nasty bandwidth bill in the event of a large scale virus spread such as the recent MyDoom. Most office virus protection updates weekly by default - Q-biz virus protection updates are made automatically every hour, giving you up to 168 times better protection!

With the easy Q-biz tools, you can choose which emails are allowed in, and which should be blocked, by using 'black' and 'white' lists.

You no longer need an IT technician every time a staff member joins or leaves. You can now create professional email addresses for all your staff instantly, giving your business a professional image online.

SureVox Headsets is a specialized telephone accessory product and service provider founded in 2001.

We stock our own brand, **SureVox**, in addition to **Plantronics** and **GN Netcom**.

Our personnel have vast experience in telephone headsets covering the major brands. We are equipped to accommodate all headset and related requirements.

It's our very clear aim to ensure that our clients get what they expect, regardless of the company's size.

We have the most comprehensive warranty and service arrangements anywhere - offering a 2-year replacement warranty on almost everything we sell.

If your headset is defective we will replace it!

For repairs done outside of warranty - we will provide a 'loan set' until your headset is fixed.

It's as easy as that!

International distribution enquiries are most welcome.
