Important Changes for All Dialup Customers

There will be changes to the dialup numbers in most areas during August. Please update the dialup number in your connection immediately, as old numbers will be disconnected at the end of August.

Auckland, Wellington & Chch - 0867 78425

All other areas - 0867 45837

One Bill for Jetstream

As part of our new Wholesale Services Agreement with Telecom, Quicksilver will shortly be able to bill you for all components of your Jetstream account which are currently billed by Telecom, including the Telecom ADSL line, excess data usage on fullrate Jetstream, and even your Telecom phonenumber (only applies with ADSL bundled packages).

More details will be available on our website in August.

To register your interest now, email us at onebill@quicksilver.co.nz. Please include your Quicksilver ADSL username, your Telecom Account Name, and Telecom Account Number, and the telephone number which ADSL is on.. We will then contact you when this service becomes available.

Last Month's Winners

Congratulations to the winners of our July Direct Debit prize draw. Each winner also receives a Quicksilver goodie pack:

Winner of the 12 month 'Her Business Magazine Subscription':

Gary & Virginia Marshal, Chch

Winner of the 12 month 'Espy Magazine Subscription':

www.quicksilver.co.nz/misc/nettermsandconditions.php

Intrical Managed Firewall from \$59 per month

Quicksilver has partnered with firewall & security experts Intrical, to bring the Intrical Managed Firewall to Quicksilver customers.

A fantastic entry level security product, Intrical's Managed Firewall is designed to provide robust Internet security for those customers that have just connected to the internet with an 'always on (ADSL, wireless, fibre etc) connection.

Broadband Internet connections make business life a breeze with fast email and prompt access to websites. They do however, leave you vulnerable to passing hackers and viruses and therefore should be closed down for all but essential business activities to protect your network, company information and bandwidth.

- Fully customised firewall for your network and business information protection
- Allows email and web browsing out to the internet and stops all but customer specified traffic in
- Great for businesses of up to 25 PC's
- Security updated and patched automatically - you don't need to do a thing
- Attacks monitored and logged 24/7
- Technical support is staffed by internationally qualified SANS GSEC security engineers who provide 4 hour response time

Pricing Options

\$59 per month + \$499 config. and install
 Or \$69 per month + \$199 config. and install

Term of service is 36 months. Requires a Cisco 837 or superior router. Price Exc. G.S.T.
